**What is FODAC?**

Legacy Link Area Agency on Aging has a partnership agreement with Friends of Disabled Adults and Children (FODAC).

This partnership enables FODAC to waive the $25 membership fee so all durable medical equipment (DME) will be FREE with the exception of batteries. FODAC will provide delivery and pickup at Legacy Link's office 4 times per year.

If you know of someone that is unable to secure DME due to cost or prescription issues, contact us at 770-538-2641. The AT Program Coordinator will assess their need in order to place them in the FODAC database.

Requests for Power Wheelchairs will require a prescription from a Physician or qualified Healthcare Professional.

---

**Examples of Durable Medical Equipment**

**Assistive Technology & FODAC**

**What is Assistive Technology?**

Any item or piece of equipment that is used to increase, maintain, or improve the functional capabilities of individuals with disabilities in all aspects of life, including school, at work, at home, and in the community.

For a person without disabilities, technology makes LIFE easier...

For a person with disabilities, technology makes LIFE possible!
**Assistive Technology Lab**

Come visit the Assistive Technology Lab to experience AT yourself!

We have over 100 items on display to help you in your home, in your car, at work, in the community, and more!

The AT Lab is open to the public by appointment only. People of all ages and abilities are welcome!
